

## Lockdown info:

### Latvia

- 1<sup>st</sup> state of emergency: 13.03 – 09.06, 2020. Large public gatherings with over 200 people were banned and schools would conduct [distance learning](#). On 29 March, the government adopted a number of stricter regulations. Restrictions also prohibited all private arrangements (except funerals), public events, meetings, processions, pickets, indoor sports and religious activities.
- 2<sup>nd</sup> state of emergency: 09.11– 06.04, 2020 -2021. Restrictions on gatherings, events, sports activities, catering and education were further tightened.
- Holiday and weekend curfew (individuals had to stay at their place of residence between 22:00 and 5:00 except for emergencies and work-related matters): 30.12 – 07.02, 2020-2021.
- 07.05 2021 – restaurants allowed to reopen outdoor areas.
- 3<sup>rd</sup> state of emergency – 11.10 – 11.01, 2021 – 2022
- 21.10, 2021 – a nearly month-long lockdown period began with strengthened security measures and restrictions on the movement, including a curfew between the hours of 20:00 and 05:00 and suspension of the majority of stores and services.

### Estonia

- 1<sup>st</sup> state of emergency: 13.03 – 18.05, 2020. Schools and educational institutions will be closed from Monday (16.03.), public events will be prohibited, and health controls will be introduced at the country's borders.
- On 11.05 2020 shopping centres and restaurants were allowed to reopen under certain conditions. Museums and exhibitions were also allowed to resume operations. Leisure facilities, however, must remain closed.
- According to media reports from 03.12.2020 Estonia has imposed new restrictions. From Saturday (05 December) Restaurants and entertainment venues without fixed seating will have to close by 10:00 p.m. Additionally, shopping centres and businesses will have to reduce their capacity by half.
- 28.12.2020-17.01.2021 entertainment, cultural, recreational and sports venues will remain largely closed. Events and gatherings indoors have been banned.
- One month lockdown starting 11.03.2021. Catering establishments and shops that do not sell everyday goods will have to close. Indoor sports will also be banned.

### Lithuania

- 26.02.2020 - Lithuania declares first state of emergency
- 12.03.2020 – Order of all public indoor events of more than 100 attendees to be cancelled. Closure of all educational institutions including kindergartens, public schools, and universities for two weeks with a recommendation to utilise online learning.
- 16.03 – 31. 05, 2020 quarantine. All public indoor and outdoor gatherings were prohibited; all shops and businesses excluding grocery shops, pharmacies and veterinary pharmacies were closed; all restaurants and bars were closed, leaving the option for food take-away; borders were closed for foreigners regardless of the means of transport, excluding cargo and special transport; all international outbound passenger travel was prohibited.

- 23.04.2020 - all retailers (including those in shopping centers) are allowed to open.
- 27.04.2020 - hairdressers, manicure services, museums, libraries, golf and tennis courts, shooting ranges, wakeboarding parks, outdoor cafes, restaurants and bars are allowed to reopen. Outdoor activities such as sightseeing paths, parks, zoos, outdoor botanical gardens and observational towers are also allowed to reopen.
- 18.05.2020 - kindergartens and other pre-school education establishments and all beauty and dental services would be allowed to reopen. All indoor places, including restaurants, cafes, bars, nightclubs, casinos and entertainment venues are allowed to open, provided they can follow previously defined operating guidelines.
- 25.05.2020 - Primary schools are allowed to resume teaching in classrooms. Higher and professional education is allowed to resume courses that cannot be held remotely.
- 07.11.2020 – 17.12.2020 - nationwide quarantine.
- 16.12.2020 - more restrictions are put in place.
- 15.02.2021 – partial lifting of lockdown (small shops and beauty salons allowed to resume operations)
- 16.03.2021 - Partial lifting of lockdown: travel is now allowed between the majority of municipalities.
